Action Taken Report on Student's Feedback: 2022-23

Introduction

Veena Memorial PG College is committed to providing its students with a high-quality education and learning experience. To assess student satisfaction and identify areas for improvement, the college conducts an annual student's Feedback. The 2022-23 survey was administered to all students, and the results were analyzed to develop an action plan for improvement.

Key Findings

The survey results showed that students are generally satisfied with the college's academic programs, faculty, and facilities. However, there were a few areas where students expressed concerns, such as the lack of a canteen, the need for improved girls' common room facilities, and the need for better maintenance of ICT facilities.

Action Plan

Based on the survey results, the college has developed an action plan to address the concerns raised by students. The key elements of the action plan include:

- Establishing a canteen: The College is in the process of establishing a canteen to provide students with a convenient and affordable place to purchase food and drinks.
- Improving girls' common room facilities: The College will renovate the girls' common room to make it more comfortable and inviting for students.
- Improving maintenance of ICT facilities: The College will hire additional staff to ensure that ICT facilities are properly maintained and repaired.
- Improving playground and sports facilities: The College will upgrade its playground and sports facilities to provide students with more opportunities to participate in physical activity.
- Adding more books and references to the library: The College will purchase additional books and references to expand the library's collection and provide students with access to more resources.

Coordinator (IQAC)

- Organizing industrial visits: The College will organize industrial visits for students to provide them with exposure to the real world of work.
- Establishing a stationary shop/Xerox shop: The College will establish a stationary shop/Xerox shop on campus to provide students with a convenient place to purchase stationary and Xerox copies.
- Starting motivational classes: The College will start motivational classes for students to help them develop a positive attitude and achieve their goals.
- Making faculty more helpful to students: The College will provide training to faculty on how to be more helpful and supportive to students.
- Increasing the number of female teachers: The College will hire more female teachers to increase the diversity of the faculty.
- Appointing a student counselor and arranging regular counseling sessions: The College will appoint a student counselor to provide students with support and guidance. The counselor will also organize regular counseling sessions to help students deal with academic, personal, and social issues.

Conclusion

Veena Memorial PG College is committed to providing its students with the best possible education and learning experience. The college will continue to monitor student satisfaction and make improvements based on feedback from students.

Report on results and details of Student's Feedback: 2022-23

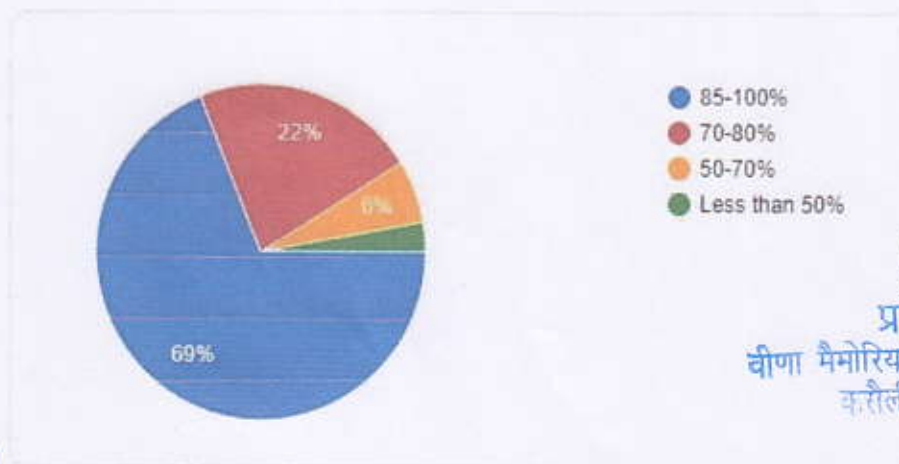

Veena Memorial PG College is the institute which got embedded with the inherent closed loop system which corrects itself through the feedbacks/surveys on continuous basis. Student's Feedback is among one of these surveys. This survey includes the questionnaire recommended by NAAC. Apart from Teaching-Learning and Evaluation aspects, the survey has included the institution infrastructural and welfare aspects too. The process of survey and the results are provided as follows.

Student's Feedback Survey Key Indicator – 1.4.1

Under Criterion of Teaching– Learning and Evaluation the questionnaire which is suggested by National Assessment and Accreditation Council (NAAC) is to be filled by the students of college. It is required to assess the teaching learning process of an institution. Our College has collected the questionnaire on Teaching-Learning and Evaluation aspects as well as on the institution infrastructural and welfare aspects which are filled by the students in that academic year. The students have given their experienced and genuine opinions on these aspects. The format of questionnaire which is used is very helpful to reaching the goal and to improve the level of our institution.

The graphical presentation of the responses given by the students in the questionnaire is given below.
